

HIGHWAY CONTRACT: MTO 2009 - 3001 (Hwy 402 / Sarnia, Point Edward)

COMMENCEMENT 2009

PROJECT OWNER

The project is part of the Ministry of Transportation of Ontario's (MTO) Southern Highways Program for 2007-2011. Construction activities on Highway 402 and the project right-of-way are subject to MTO authority. Bot Construction was awarded General Contractor through lowest Bid Tender. Delcan Corporation is the Contract Administrator. For information about the contract and the project completion date, contact MTO, South West Region, London, Ontario.

PROJECT DESCRIPTION

Widening of Highway 402 over a 6 km distance between the Blue Water Bridge and 0.4 km East of Modeland Rd. Work includes: Deck Replacement and Rehabilitation of the Indian Rd. and Murphy Rd. structures; Widening and Rehabilitation of the Front St. and Colborne Rd. structures and Replacement of the Christina St. structure. The work also includes installation of Drainage, Storm Sewers, Median Barrier Wall, 7 Over Head Signs, 7 Changeable Message Signs, Traffic Management Systems, Retaining Walls and Storm Water Management Ponds.

ACTIVITIES OF NOTE

Work will include grading, drainage and water main installation, granular base, hot mix paving, concrete paving, structure rehabilitation, structure replacement, structure widening, retaining walls, noise barriers, installation of lighting and traffic signals. Equipment operations will include tri-axle dump trucks, cranes, excavators, bulldozers and loaders. Hours of operation are sunrise to sunset throughout the contract. Night work is not permitted. Activities are subject to Ministry of the Environment and Ministry of Natural Resources requirements and local bylaws. Notice of speed limit reductions will be posted during specified operations.

On a seasonal average, Bot Construction will directly employ 20-30 people on the project and will subcontract with other companies for additional specialized construction services.
